Hey, hey, hey, hey  
Ho, ho, ho, ho

Who calls this child to walk on her own?  
(Hey, hey, hey, hey)  
Who leads her down this treacherous road?  
(Hey, hey, hey, hey)  
She's dancing to a song we can't hear  
(Hey, hey, hey, hey)

(Selena)  
Caminando en calle doce  
(12)  
Debes estar en la escuela  
Dulce angelita, de qui n eres t o?

Come dance with me  
(Ven, baila conmigo)  
Come dance with me  
(Ven, ven, ven baila conmigo)  
Come dance with me

God makes us dream but won't set us free  
(Hey, hey, hey, hey)  
God calls us, dance to songs we can't hear  
(Hey, hey, hey, hey)

Canci n del vampiro  
Gloria de amor  
Es nuestro reino  
Pero vean lo que hemos hecho

Come dance with me  
(Ven, baila conmigo)  
Come dance with me  
(Quiero ser libre)

Come dance with me  
(Ven, baila conmigo)

Como t o, como t o solo puedas bailar  
Oye mira, oye mira baila conmigo

No me dejes sola, ven, ven, ven  
No me dejes sola, ven, ven, ven  
Oye, mira me

Ooh, come on down  
(Venga, Venga)  
Ah, set me free  
(Quiero ser libre)

Ooh, Come on down  
(Venga, Venga)  
Ooh, Dance with me  
(Baila conmigo, baila conmigo)

Come on down  
(Venga, Venga)  
Dance with me  
(Baila conmigo)

Come on down  
Dance with me  
(Baila conmigo)  
Ooh, aah, ooh, aah, ooh, aah
