I could lose my heart tonight,  
If you don't turn and walk away  
Cause the way I feel I might  
Lose control and let you stay  
Cause I could take you in my arms,  
And never let go  
I could fall in love with you  
I could fall in love with you, baby

I could only wonder how  
Touching you would make me feel  
But if I take that chance right now,  
Tomorrow will you want me still?  
(Baby will you want me?)  
So I should keep this to myself,  
And never let you know  
I could fall in love with you  
(I could fall in love with you)  
I could fall in love with you baby

And I know it's not right,  
And I guess I should try  
To do what I should do  
But I could fall in love,  
Fall in love, with you  
I could fall in love with you, baby  
I could fall in love with you.

Siempre estoy soñando

Ndo en ti  
Besando mis labios, acariciando mi piel  
Abrazandome, con ansias locas  
Imaginando que me amas  
Como yo podria amar te

So I should keep this to myself,  
And never let you know  
I could fall in love with you  
I could fall in love with you  
I could fall in love, (fall in love)  
I could fall in love, (fall in love) with you, Baby

I could fall in love I could in love with you, baby
