I could lose my heart tonight if you don't turn and walk away

'Cause the way I feel I might lose control and let you stay

'Cause I could take you in my arms and never let go

I could fall in love with you

I could fall in love with you

I could only wonder how touching you would make me feel

But if I take that chance right now, tomorrow will you want me still?

So I should keep this to myself and never let you know

I could fall in love with you

I could fall in love with you

And I know it's not right

And I guess I should try to do what I should do

But I could fall in love, fall in love with you

I could fall in love with you

Siempre estoy soñando en ti

Besandos mis labios, acariciando mi piel

Abrazadome con ansias locas

Imaginando que me amos

Cómo yo podia amar a ti

So I should keep this to myself and never let you know

I could fall in love with you

I could fall in love with you

I could fall in love, I could fall in love with you
