How are you doing Houston Texas

First I was afraid  
I was Petrified  
Kept thinking I could never live with out you by my side  
But then I spent so many nights just how you did me  
wrong  
And I grew strong and I learned how to get along  
And now your back  
From outer space

Don't turn around cause your not welcome anymore  
Werent you the one who tried to hurt me with goodbye  
You think I'll crumble, you think I'll lay down and die  
Now go, now go  
Walk out the door

Don't turn around now cause your not welcome  
anymore  
Werent you the one who tried to hurt me with goodbye  
You think I'll crumble, you think I'll lay down and die  
Oh no not I  
I will survive

Oh as long as I know how to love I know I'll stay alive  
I got all my life to live, I got all my love to give  
I will survive, I will survive, Hey, hey

Todos en pie vamonos, todo el mundo

Talk about It, talk about it, talk about it, talk about it  
Talk about it, talk about it, talk about it, uh-hh

Gotta move on  
Gotta move on  
Gotta move on

Wont you take me to, funky town  
Wont you take me to, funky town  
Wont you take me to, funky town  
Wont you take me to, funky town

Let me hear you Houston Texas, Mexico!
