I hear you're taking the town again
Havin' a good time with all your good time friends
I don't think that you think of me
You're on your own now, and I'm alone and free
I know that I should get on with my life
But a life lived without you could never be right

Chorus:

As long as the stars shine down from the heavens
Long as the rivers run to the sea
I'll never get over you gettin' over me

I try to smile so the hurt won't show
Tell everybody I was glad to see you go
But the tears just won't go away
Loneliness found me, looks like it's here to stay
I know that I oughta find someone new
But all I find is myself always thinkin' of you

Chorus

Oh, no matter what I do
Spending a lifetime to live through
I can't go on like this
I need your touch
You're the only one I've ever loved

Chorus

I'll never get over you gettin' over
I'll never get over you gettin' over me
