Selena
"Oldies Medley"

Blue moon, you saw me standing alone
Without a dream in my heart
Without a love of my own
Blue moon, you knew just what I was there for
You heard me saying a prayer for
Someone I really could care for
You're mine, and we belong together
Yes, we belong together for eternity (eternity)
You're mine; your lips belong to me
Yes, they belong to me, to only me
For eternity, etern, eternity
You're my, my, my baby, and you'll always be (you'll
always be)
I love you so much (my love to you)
I'll give you everything, (everything)
Everything I own
You'll always, always be mine
You're mine and we belong together
Yes, we belong together for eternity, etern, eternity

(repeat above)

Blue moon, you saw me standing alone
Without a dream in my heart
Without a love of my own
Blue moon, you knew just what I was there for
You heard me saying a prayer for
Someone I really could care for
And then it suddenly appeared before me
The only one my arms could ever hold
I heard somebody whisper "please adore me"
And when I looked the moon had turned to gold
Blue moon now I'm no longer alone
Without a dream in my heart
Without a love of my own
Blue moon...
