That sounds close

I know that you've got my lead  
Am I so easy to read  
My eyes must be speaking your name  
My touch must burn like a flame  
I believe  
That love doesn't come when you planned  
Here I am  
Caught up with these feelings I don't understand

(Chorus)

Is it the beat the of beat of your heart  
Is it the music or is it body talk  
How did you move me and when did it start  
Is it the beat of the beat of your heart

That sounds close

Night falls and I seem to change  
Near you, I'm acting so strange  
I know we've only just met  
But dreaming has gone through my head  
You and I see nobody else in the place  
Met your smile  
Answer the question, don't read on my fate

(Chorus)

Is it the beat the of beat of your heart  
Is it the music or is it body talk  
How did you move me and when did it start  
Is it the beat of the beat of your heart

Sabes que te quiero y sin ti me desespero  
Eres tu mi todo y yo sin ti me muero  
Eres mi alegria en cada despertar  
Yo quiero a tu lado yo poder estar

(Chorus 2x)

Is it the beat the of beat of your heart  
Is it the music or is it body talk

How did you move me and when did it start  
Is it the beat of the beat of your heart

Is it the beat of your heart  
Is it the beat of your heart  
Is it the music or is the body talk  
Is it the music or is the body talk  
Is it the music or is the body talk  
Is it the music or is the body talk
