It's all because of you
I'm feelin' sad and blue
You went away
Now my life is just a rainy day

And I love you so
How much you'll never know
You've gone away and left me lonely

Untouchable memories
Seem to keep haunting me
Another love, so true
That once turned all my gray skies blue

But you disappeared
Now my eyes are filled with tear
And I'm wishing you were here with me

Soaked with love
All my thoughts of you
Now that you're gone
I just don't know what to do

If only you were here
You wash away my tears
The sun would shine
And once again you'll be me mine, oh, mine

But in reality
You and I will never be
'Cause you took your love away from me

Girl, I don't know what I did
To make you leave me but what I do know
Is that since you've been gone
There's such an emptiness inside me
I'm wishin' you would come back to me

If only you were here
You'd wash away my tears
The sun would shine and once again
You'd me mine, oh, mine

But in reality
You and I will never be
'Cause you took your love away from me, ah baby
You took your love away from me
