VivirÃs Selena  
English Translation

-----  
Please remember! This translation is my personal work.  
It is sometimes difficult to translate word for word from  
Spanish to English, so it may sound awkward in one  
language when it is perfectly natural in the other. But I  
think you can get the general idea!  
-----

She was that rose, cut before it opened  
A long life, robbed before it was lived  
She was like a dove who never got to fly  
She was that light that lit up  
the path of our music

She's like the day that could not dawn  
She's like a child who barely became a woman  
She's like a star, which will always shine  
She was that light that lit up  
the path of our music

You'll live, you'll live, you'll live  
You'll live forever Selena  
You'll live, you'll live, you'll live  
in our hearts  
You'll live, you'll live, you'll live  
in our lives  
You'll live, you'll live, you'll live  
Forever Selena

She's like the day that could not dawn  
She's like a child who barely became a woman  
She's like a star, which will always shine  
She was that light that lit up  
the path of our music

She was the bridge to the people  
Her with her song  
She was the bridge to the people  
Her with her passion

She was a hope that never got realized  
She was our queen  
She was our daughter  
She was our love
