Look how I go on for our love  
Drunk and impassioned, only for your love  
Look how I go on, dear  
Given to drunkenness and hopelessness  
You, Only you  
Have filled my life with sorrow  
Opening a wound in my heart  
You, Only you  
Are the cause of all of my crying  
Of my disillusionment and desperation

Only your fatal shadow, shadow of evil  
Follows me everywhere so obstinately  
And to try to forget you  
I give myself up to drunkenness and hopelessness  
You, Only you  
Have filled my life with sorrow  
Opening a wound in my heart  
You, Only you  
Are the cause of all of my crying  
Of my disillusionment and hopelessness
