You caught my eye and I'm tryin' to holler at 'cha  
You walk on by and I trip on the furniture  
I'm on a ride that won't stop movin'  
And I don't know exactly what I'm doin'  
I see you shake, shake and I'm spinnin'  
It's like I won the race that I'm winning  
I'm all dizzy when your here with me  
So lets bring the heat

There ain't nothing to it  
Just got to do it  
You got to own it own it  
Welcome to the beat of your own drum  
And you got it like that  
Burn it up like that  
Welcome to the beat of your own drum  
If you got it like that  
Yeah it's hot like that  
Eh eh eh  
Yeah it will make you say eh eh eh  
So bang a drum, bang a drum

You got me floatin' ten feet off the ground  
It's like wow, I'm not backin' down  
My hearts pumpin' and it's workin' over time  
I got the crazy butterflies  
Were doin' it right when were together  
With you by my side it only gets better  
Your on my team we got it figure out  
It's you and me no doubt

There ain't nothing to it  
Just got to do it  
You got to own it own it  
Welcome to the beat of your own drum  
If it's hot like that  
Burn it up like that  
Welcome to the beat yeah dip it down low  
If you got it like that  
Yeah it's hot like that  
Eh eh eh  
Yeah it will make you say eh eh eh

So bang a drum, bang a drum, bang a drum  
Lets turn it up, bang a drum  
Yeah bang a drum, turn it up, bang a drum

You caught my eye and I'm tryin' to holler at 'cha
