Yeah

Yeah

Woah oh

My new boy use to be a model
He looks way better than you
He looks way better than you

My new boy gets it how to get me
He love is deeper you know
He's a real keeper you know

Bang bang bang. I'm breaking in
Stealing all my love back
Giving it to him

Bang, bang, bang, this time I'll win
I thought your love was all that
Until I let him in

You're gonna be the one (4x)
That's hoping

You're gonna be the one(2x)
When I'm done having fun
You're gonna be the one
That's broken

My new boy knows the way I want it
He's got more swagger than you
He's got more swagger than you

My new boy really like to flaunt this
He's not me hiding you know
He's showing me off you know

Bang, bang, bang, I'm breaking in
Stealing all my love back,
Giving it to him

Bang, bang, bang, this time I'll win
I thought your love was all that

Until I let him in
You're gonna be the one (4x)
That's hoping

You're gonna be the one (2x)
When I'm done having fun
You're gonna be the one
That's broken

I hope you slip and fall and trip all over my heart
And just lay there alone,
Yeah you got what you wanted

On your hands and knees,
Grasping for air,
Grasping for me
Baby don't hold your breath,
I've moved on to the next

Ohh woahhh
On to the next one, on to the next one (2x)

Bang, bang, bang, I'm breaking in
Stealing all my love back,
Giving it to him

Bang, bang, bang, this time I'll win
I thought your love was all that
Until I let him in

You're gonna be the one (4x)
That's hoping

You're gonna be the one (2x)
When I'm not having fun
You're gonna be the one that's broken

Bang, bang, bang, I'm breaking in
Stealing all my love back,
Giving it to him

Bang, bang, bang, this time I'll win
I thought your love was all that
Until I let him in
