(Disappear! )  
I remember the first time  
But it wasn't the last time  
That you told me you'd take me back  
So I'm still wondering why

There was never a question  
I should've learned my lesson  
I keep coming back  
Like a heart attack  
That's always breakin'

I can't let you vanish  
There's no magic when you're gone

CHORUS:  
You say you don't need me  
You say it's time to leave me  
I'm not gonna let you disappear  
And I don't wanna hear it  
I don't wanna believe it  
I'm not gonna let you disappear

Oh oh oh oh oh x3  
Disappear

I don't wanna be lonely  
But you are always the only one  
Who'd cast a spell  
And make it feel like all of this was real

Nothing but an illusion  
But I'm not gonna lose ya  
So just do your trick  
And make it quick  
Cuz I'm pretending

I can't let you vanish  
There's no magic when you're gone

CHORUS:  
You say you don't need me

You say it's time to leave me  
I'm not gonna let you disappear  
And I don't wanna hear it  
I don't wanna believe it  
I'm not gonna let you disappear

Oh oh oh oh oh x3  
Disappear

Don't Go!

I can't let you vanish  
There's no magic when you're gone

Oh oh oh oh oh x3  
Disappear

CHORUS:  
You say you don't need me  
You say it's time to leave me  
I'm not gonna let you disappear  
And I don't wanna hear it  
I don't wanna believe it  
I'm not gonna let you disappear

Oh oh oh oh oh x3  
Disappear  
Oh oh oh oh oh x3  
Disappear

Don't go,  
Disappear
