{Verse 1}

Well you know everything's gonna be a breeze  
That the end will no doubt justify the means  
You could fix any problem with a slice of ease  
Yes please

{Verse 2}

Well you might find out It'll go to your head  
When you write a report on a book you never read  
With a snap of your fingers you can make your bed  
That's what I said

{Chorus}

Everything is not what it seems  
When you can get all you wanted in your wildest  
dreams  
You might run into trouble if you go to extremes  
Because everything is not what it seems

Everything is not what it seems  
When you can have what you want by the simplest of  
means  
Be careful not to mess with the balance of things  
Because everything is not what it seems!
