(Verse 1)

Turned my back to the door
Feel so much better now
Don't even try anymore
Nothing left to lose

There's a voice that's in the air
Saying don't look back nowhere
There's a voice that's always there

And I'll never be quite the same as I was before
These parts of you still remains
Though it's out of focus

Your just somewhere that I've been
And I won't go back again
Your just somewhere that I've been

(Chorus)

I'm breathing in, breathing out
Ain't that what its all about?
Livin' life crazy loud

Like I have the right to
No more words in my mouth
Nothin' left to figure out
But I don't think I'll ever break through
The ghost of you

(Verse 2)

And I'll never be like I was the day that I met you
Too naive, Yes I was
Boy, that's why I let you in

Wear your memory like a stain
Can't erase or numb the pain
Here to stay with me forever

(Chorus)

Breathing in, breathing out
Ain't that what it's all about?
Livin' life crazy loud

Like I have the right to
No more words in my mouth
Nothing left to figure out
But I don't think I'll ever break through
The ghost of you

(Bridge)

One of these days
I'll wake up from this bad dream I'm dreaming
One of these days I pray that I'll be over over over
you
One of these days I'll realize that I'm too tired of

Feelin' confused
But for now there's a reason
why you're still here in my heart

(Chorus)

Breathing in, breathing out
Ain't that what it's all about?
Livin' life crazy loud

Like I have the right to
no more words in my mouth
Nothin' left for me to doubt
That I don't think I'll ever break through
The ghost of you

Breathing in , breathing out...
Breathin' in, breathin' out..
Like I have the right to

No more words..in my mouth
Nothin' left to figure out
But I don't think I'll ever break through...
The the ghost of you
