(Verse 1)

Its the boy you never told "i like you".
Its the girl you let get away.
its the one you saw that day on the train
but you freaked out and walked away.
Its the plane you wanna catch to Vegas,
Things you swear you'll do before you die,
Its the city a lone that waits for you,
But you're too damn scared to fly.

(chorus)

Hit the lights,
Let the music move you,
Lose yourself tonight,
Come alive..
Let the moment take you.
Lose yourself tonight. (x2)

(Verse 2)

Its the time your totally screwed up,
Still your tryin' get it outta your brain.
Its the fights you had when you didn't make up.
Its the past that you're dying to change.
Its all of the the money that you're saving,
while the good life passes by.
Its all the dreams that didn't come true,
'Cause you're too damn scared to try.

(chorus)

Hit the lights,
Let the music move you,
Lose yourself tonight,
Come alive..
Let the moment take you.
Lose yourself tonight. (x2)

Its a Mad Mad World,
gotta make an escape.

Its a perfect world,
when you go all the way.
Hit the Lights.
Let the music move you,
Loose yourself tonight

So lets go go go go
All the way, lets go go go go
Night and Day.
From the floor the the rafters.
People raise your glasses.
We Could dance for ever.

(chorus)

Hit the lights,
Let the music move you,
Lose yourself tonight,
Come alive..
Let the moment take you.
Lose yourself tonight. (x2)

Its a Mad Mad World,
gotta make an escape.
Its a perfect world,
when you go all the way.
Hit the Lights.
Let the music move you,
Loose yourself tonight
