You change your mind
Like a girl changes clothes
Yeah, you always dance
Like a tic, I would know

And you always think
Always speak critically, yeah
I should know
That you're no good for me, yeah, yeah, yeah

'Cause you're hot, then you're cold
You're yes, then you're no
You're in, then you're out
You're up, then you're down

You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up

You, you don't really want to stay, no
You, but you don't really want to go, oh

'Cause you're hot, then you're cold
You're yes, then you're no
You're in, then you're out
You're up, then you're down

We used to be
Just like twins, so in sync
And the same energy
Is now a dead battery

Used to laugh 'bout nothing
Now you're plain boring
I should know
That you're not gonna change, no way

'Cause you're hot, then you're cold
You're yes, then you're no
You're in, then you're out
You're up, then you're down

You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up

You, you don't really want to stay, no
You, but you don't really want to go, oh

'Cause you're hot, then you're cold
You're yes, then you're no
You're in, then you're out
You're up, then you're down

Someone call the doctor
Got a case of a love bipolar
Stuck on a roller coaster
Can't get off this ride

You change your mind
Like a girl changes clothes

'Cause you're hot, then you're cold
You're yes, then you're no
You're in, then you're out
You're up, then you're down

You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up

You, you don't really want to stay, no
You, but you don't really want to go, oh

'Cause you're hot, then you're cold
You're yes, then you're no
You're in, then you're out
You're up, then you're down

You're hot, then you're cold
You're yes, then you're no
You're in, then you're out
You're up, then you're down

You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up

You, you don't really want to stay, no

You, but you don't really want to go, oh

'Cause you're hot, then you're cold

You're yes, then you're no

You're in, then you're out

You're up, then you're down

Hey, yeah, yeah
