I'm going through the same day
Same place, same way I always do
Then I saw you from the corner of my eye
And it hit me like a ton of bricks I can't lie
Oh you got to me

My life was alright living in black and white
But you changed my point of view

Show me your colors
Show me your colors
Cuz without you I'm blue
(Without you I'm blue)

Hurry up and save me
Hurry up and save me
Hurry up and save me
Hurry up and save me

I just wanna feel alive
And I do when I'm with you

Hurry up and save me
Hurry up and save me
Hurry up and save me
Hurry up and save me

I just wanna feel alive
And I do when I'm with you

(Show me your colors
Show me your colors)

I have to have control of myself
My thoughts my mind
cause the way it's going down

In my life I feel like a prisoner
In a light
Are you feeling me

Cuz the way you make my

Break my shake my walls around
I feel like I'm breaking up

Show me your colors
Show me your colors

Cuz without you I'm blue
(Without you I'm blue)

Hurry up and save me
Hurry up and save me
Hurry up and save me
Hurry up and save me

I just wanna feel alive

And I do when I'm with you
(Hurry hurry up)

Hurry up and save me (Save me)
Hurry up and save me (Save you)
Hurry up and save me (Save me)
Hurry up and save me

I just wanna feel alive
And I do when I'm with you

My window's opened up
Tonight I'm crawling down

Will you be there are you waiting
Will you be there will you save me
(So just leave me, so just leave me)
(Save me, save me) You can save me
(Save me, save me) I know you can save me
So just, so just save me
Without you I'm blue

Hurry up and save me
Hurry up and save me
Hurry up and save me
Hurry up and save me

I just wanna feel alive
And I do when I'm with you

Hurry up and save me (I'm blue)
Hurry up and save me (Are you)
Hurry up and save me (Are you)
Hurry up and save me (Are you)

I just wanna feel alive
And I do when I'm with you

Hurry up and save me (Save me)
Hurry up and save me (Save me)
Hurry up and save me (Save me)
Hurry up and save me (Save me)

I just wanna feel alive
And I do when I'm with you

Hurry up and save me (Save you)
Hurry up and save me (Save me)
Hurry up and save me (Save you)
Hurry up and save me (Save me)

I just wanna feel alive
And I do when I'm with you (Save you)
Save me, save me
