I picked you out in a crowd  
Of a thousand faces  
Yeah, I found you, Ohhhh  
I chose the whys and the whens  
All around and places  
Yeah, I choose you, Ohhhh

I let you see me  
Let you believe it was your move  
So smooth  
My rules

Well you think you are the one  
Who got me boy  
But I got you  
I've been playing with you  
Like a little toy  
Yeah, I got you  
I got you  
I got you

You'd be surprised, all the times  
That I almost told you  
But I stayed cool, Ohhhh  
I almost broke but I  
Knew I would get to hold you  
Cause I'm no fool, Ohhhh

You came up to me  
And did the very thing I knew  
That you'd do  
Ohohohohohhhh

Well you think you are the one  
Who got me boy  
But I got you  
I've been playing with you  
Like a little toy

Yeah, I got you

You gave me all control

(I got you)  
I took your heart and soul  
(I got you)  
For me, I'm gonna roll  
I got you, you, you

I got you  
I got you  
And I love it  
I got you  
Yeah, I got you  
I got you  
And I love it  
I got you  
Yeah, I got you

Well you think you are the one  
Who got me boy  
But I got you  
I've been playing with you  
Like a little toy  
Yeah, I got you

I got you  
And I love it  
I got you  
Yeah, I got you

I got you  
And I love it  
I got you  
Yeah, I got you
