I feel like I'm walking in the sky  
Woah, Woah  
Yesterday tears were in my eyes  
Woah, Woah

What a bad day  
Yeah, I've been there before  
But, I keep my head up  
So, I don't have those anymore  
I made a choice to be the best that I could ever be  
Gotta stay positive, Ignore the negativity

Gonna follow my intuition  
Tell myself to listen  
Everythings gonna be okay  
It's gonna be a good day  
Oh, oh, oh, uh, oh, oh, ohhh  
Uh, oh, ohhh  
It's gonna be a good day  
Follow my intuition  
It's gonna be a good day

I gotta go with what feels right  
Woah, Woah  
Don't always need a reason why  
Woah, Woah

What's the problem?  
Compared to the weight of the world  
Quit tryin' to please every man, woman, boy and girl  
Better pick up the pace  
There ain't no time to waste  
Tomorrows never promised  
So I started livin' for today

Gonna follow my intuition  
Tell myself to listen  
Everythings gonna be okay  
It's gonna be a good day  
Oh, oh, oh, uh, oh, oh, ohhh  
Uh, oh, ohhh  
It's gonna be a good day

Follow my intuition  
It's gonna be a good day

All I know is that I just gotta let go  
Gelic come back, it's always easy to know  
Sometimes it just gets so confusing  
Feel like I don't know what I'm doing

But, I trust in my heart  
And in the end  
It turns out that we are better than anything  
See what's meant to be is gonna happen  
You know it's gonna be a good day

Gonna follow my intuition  
I said it's gonna be a good day  
Everythings gonna be okay  
It's gonna be a good day  
Oh, oh, oh, uh, oh, oh, ohhh  
Uh, oh, ohhh  
It's gonna be a good day  
Follow my intuition  
It's gonna be a good day  
Oh, oh, oh, uh, oh, oh, ohhh  
Uh, oh, ohhh  
It's gonna be a good day  
Follow my intuition
