I'll decide  
The path of my life  
I'll choose  
What I wanna do  
You can stand  
In the way  
But the wall you made  
Will come crumblin'  
So I will say today

[Chorus:]  
Don't tell me  
I'm wrong or right  
Don't try to  
Stir up a fight  
Don't get in my way  
When I wanna choose  
Don't wanna hear  
What you've got to say  
Just don't

I'm gonna run  
Far away  
Leave your place  
Today  
You may try to  
Hold me back  
But what can I say  
It's my life  
Stay out of it

[Chorus]

Come on  
Don't try to keep me  
From life  
I'm growing older  
I'm getting stronger  
Ready to fly away  
Hey hey

[Chorus]

Just don't
