Just drive I'm sick of talkin,
We know where this is going,
I'm done take me home,
I can't wait forever,
For you to get yourself together.
I'd rather be alone,

I'm so tired of pretending,
Just want a happy ending,

[Chorus]

Wish I could put a spell on you,
Wish I could make you feel like I do,
Would'nt that be sweet so magical,
Wish I could flick and wave the wand,
Get everything that I ever wanted,
And put a spell on you,
And make it all come true,

You taught me what I know,
Guys like you come and go,
But I know things can change

See my heart it may be broken,
But that wouldn't stop me hoping

[Chorus]

Wish I could put a spell on you,
Wish I could make you feel like I do,
Would'nt that be sweet so magical,
Wish I could flick and wave the wand,
Get everything that I ever wanted,
And put a spell on you,
And make it all come true,

I just wanna know what we should've done,
When I figure out what we could've become,
Cause I know in my heart I'm not over you,
I just wanna go back and try it again,
Turn back the time this isn't the end of us,
This isn't the end of us 2x

WHOAHHHH

Wish I could put a spell on you,
Wish I could make you feel like I do,
Would'nt that be sweet so magical,
Wish I could flick and wave the wand,
Get everything that I ever wanted,
And put a spell on you,
And make it all come true,

Wish I could put a spell on you,
Wish I could make you feel like I do,
Would'nt that be sweet so magical,
Wish I could flick and wave the wand,
Get everything that I ever wanted,
And put a spell on you,
And make it all come true,
