You make me so upset sometimes  
I feel like I could lose my mind  
The conversation goes nowhere  
'Cause you're never gonna take me there  
And I know what I know  
And I know you're no good for me  
Yeah, I know what I know  
And I know it's not meant to be

Here's my dilemma  
One half of me wants ya  
And the other half wants to forget  
My-my-my dilemma  
From the moment I met ya  
I just can't get you out of my head  
And I tell myself to run from you  
But I find myself attracted to my dilemma  
My dilemma  
It's you, it's you

Your eyes have told a thousand lies  
But I believe them when they look in mine  
I heard the rumors but you won't come clean  
I guess i'm hoping it's because of me

And I know what I know  
And I know you're no good for me  
Yeah, I know what I know  
And I know it's not meant to be

Here's my dilemma  
One half of me wants ya  
And the other half wants to forget

My-my-my dilemma  
From the moment I met ya  
I just can't get you out of my head  
And I tell myself to run from you  
But I find myself attracted to my dilemma  
My dilemma  
It's you, it's you

I could live without you  
Your smile, your eyes  
The way you make me feel inside  
I could live without you  
But I don't wanna  
I don't wanna, oh  
Oh, you make me so upset sometimes

Here's my dilemma  
One half of me wants ya  
And the other half wants to forget  
My-my-my dilemma  
From the moment I met ya  
I just can't get you out of my head  
(Get you out of my...)  
And I tell myself to run from you  
But I find myself attracted to my dilemma  
My dilemma  
It's you, it's you  
It's you, it's you  
It's you, it's you  
It's you, it's you  
It's you, it's you  
It's you, it's you  
My-my-my dilemma
