You make me so upset sometimes
I feel like I could lose my mind
The conversation goes nowhere
Cuz you're never gonna take me there

(CHORUS)

And i know what i know
and i know you're not good for me
Yeah i know what i know
and i know it's not meant to be
Here is my dilemma
One half of me wants ya
And the other half wants to forget
My-my-my dilemma
From the moment i met ya
I just can't get you out of my head
And I tell myself to run from you
But i find myself attracted to my dilemma
My dilemma
It's you (x2)

Your eyes have told a thousand lies
But I believe 'em when they look in mine
i heard the rumors but you won't come clean
i guess I'm hoping it's because of me

(CHORUS)

And i know what i know
and i know you're not good for me
yeah i know what i know
and i know it's not meant to be
Here is my dilemma

One half of me wants ya
And the other half wants to forget
My-my-my dilemma
From the moment i met ya
I just can't get you out of my head
And i tell myself to run from you
But i find myself attracted to my dilemma
My dilemma
it's you (x2)

I could live without you
But I don't wanna
i don't wanna, oh
You make me so upset sometimes

(CHORUS)

And i know what i know
and i know you're not good for me
yeah i know what i know
and i know it's not meant to be
here is my dilemma
one half of me wants ya
and the other half wants to forget
my- my-my dilemma
From the moment i met ya
I just can't get you out of my head
And i tell myself to run from you
But i find myself attracted to my dilemma
My dilemma
It's you (x11)
