Baby tell me that you want me, want me
Baby tell me that you need me
'Cause you know I'm onto you
Keep it on the low I'll be waitin for you
Baby c'mon let me show you
Show you what I can do
I can make it all come true cause I'm onto you
Keep it on the low I'll be waitin for you

(uuuh) We're dancing in the red light I can do it all
night
(uuuuh) It's your addiction we don't need a reason

Closer, keep em' closer, closer
Hidin' (?) in the shadows of the corner
Oh I'm falling over you
Oh I hope you know I'll be waitin for you

(uuuh) We're dancing in the red light I can do it all
night
(uuuuh) It's your addiction we don't need a reason
(repeat)

Baby you don't have to be alone
We can make it all alright
Collide tonight

(uuuh) We're dancing in the redlight I can do it all night
(uuuuh) It's your addiction we don't need a reason
(repeat)
