You know fairy tales don't come true,  
Not when it comes to you  
Open up for the first time,  
And you can bet that it's the last time

And I'm cool with laying low  
Saturday night and I'm staying home.  
I'm feeling good for the first time,  
It's been a while since the last time.  
I wave goodbye when you say hello, woah,

I'm sick of the sleepless never ending nights.  
I just don't care who was wrong or right,  
I'm sick of the rumors and the alibis  
You tear me up

I'll cut you down a size  
S-S-S-S-So Sick of you So sick of you  
Sick of all of your little lies  
S-S-S-S-So Sick of You, So sick of you  
Sick of all the girls by your side

What you don't know,  
Is how great it feels to let you go.

I cracked your game it's so see through  
You know I'm way too good for you.  
Movin' on to the next time  
Drop the baggage and I'll be fine

When it's time to reminisce  
You're gonna realize you miss this  
You're in my mind for the last time  
And at the most, you were a past time.  
I wave goodbye when you say hello, woah,

I'm sick of the sleepless never ending nights.

I just don't care who was wrong or right,  
I'm sick of the rumors and the alibis  
You tear me up

I'll cut you down a size  
S-S-S-S-So Sick of You, So sick of you  
Sick of all of your little lies  
S-S-S-S-So Sick of You, So sick of you  
Sick of feeling bad by your side

What you don't know,  
Is how great it feels to let you go

I'm happier alone, taking down your pictures,  
And I'll throw those memories out the door,  
I'm sick of you, so sick of you,  
Sick of all of your little lies.

I'm sick of the sleepless never ending nights.  
I just don't care who was wrong or right,  
I'm sick of the rumors and the alibis  
You tear me up

I'll cut you down a size  
S-S-S-S-So Sick of You, So sick of you  
Sick of all of your little lies  
S-S-S-S-So Sick of You, So sick of you  
So I'm gettin' on with my life

S-S-S-S-So Sick of You, I'm so Sick of You  
So Sick of You (Oh woah)  
S-S-S-S-So sick of you, I'm so sick of you  
So Sick of you, oh woah

What you don't know,  
Is how great it feels to let you go
