Tell me something I don't know!

Everybody tells me that it's so hard to make it

Yet so hard to break it

And there's no way to fake it

Everybody tells me that it's wrong what I'm feeling

I shouldn't believe it

The dreams that I'm dreaming

I hear it everyday

I hear it all the time

I'm never gonna amount to much

But they're never gonna change my mind

OH!

Tell me, Tell me, Tell Me

Something I don't know x3

Tell me, tell me, tell me

Something I don't know x3

How many inches in a mile

What it takes to make you smile

Getcha not to treat me like a child, baby

Tell me, tell me, Tell me

Something I don't know something x3

Tell me, Tell me

Something I don't know

Tell me, Tell me

Something I don't know

Everybody tells me

I Don't know what I'm doing

This life I'm pursuing

The odds of me loosing

Everybody tells me that it's one in a million

More like one in a billion

Or one in a zillion

I hear it everyday

I hear it all the time

I'm never gonna amount to anything

But they're never gonna change my mind

OH!

Tell me, tell me, Tell me

Something I don't know x3

Tell me, tell me, Tell me

Something I don't know x3

How many inches in a mile

What it takes to make you smile

Getcha not to treat me like a child, baby

Tell me, Tell me, Tell me

Something I don't know x3

I'm on my way I know

I'm gonna get there someday

It doesn't help when you say

It won't be easy

Tell me, tell me, Tell me

Something I don't know x3

Tell me, tell me, Tell me

Something I don't know x3

How many inches in a mile

What it takes to make you smile

Getcha not to treat me like a child, baby

Tell me, Tell me, Tell me

Something I don't know x3
