Is it alright if I'm with you for the night?
Hope you don't mind, if you stay by my side
We can drive in your car somewhere into the dark,
Pull over and watch the stars
We can dance, we can sing, do whatever you think
As long as I'm with you

When we are together is the time of our lives
We can do whatever, be whoever we like
Spend the weekend dancing, 'cause we sleep when we
die
Don't have to worry 'bout nothing
We own the night

We own the night (3x)

It's all a blur, it's getting late, but I don't care
I don't know where we'll end up and that's OK
We can drive in your car somewhere into the dark,
Pull over and watch the stars
We can dance, we can sing, do whatever you think
As long as I'm with you

When we are together is the time of our lives

We can do whatever, be whoever we like
Spend the weekend dancing, 'cause we sleep when we
die
Don't have to worry 'bout nothing
We own the night

We own the night

Nothing last forever, let's live it up, when we're
together
Nothing last forever, so let's live it up
Just do whatever

When we are together is the time of our lives
We can do whatever, be whoever we like
Spend the weekend dancing, 'cause we sleep when we
die

Don't have to worry 'bout nothing
We own the night

When we are together is the time of our lives
We can do whatever, be whoever we like
Spend the weekend dancing, 'cause we sleep when we
die
Don't have to worry 'bout nothing
We own the night

We own the night (3x)
