Well you know everything's gonna be a breeze,  
At the end with no doubt just defy the means,  
You can fix any problem with the slightest of ease,  
Yes please.

When you might find it it'll go to your head,  
When you write a report on a book you never read,  
With the snap of your fingers you can make your bed,  
That's what I said.

Everything is not what it seems,  
When you can get all you wanted in your wildest  
dreams,  
You might run into trouble if you go to extremes,  
Because everything is not what it seems.

Everything is not what it seems,  
When you can have all you want by the simplest of  
means,  
Be careful not to mess with the balance of things,  
Because everything is not... what it seems.
