Shh... don't speak shh... don't say a word shh... don't
talk shh... don't call me

you said you loved me
but I didn't love you back
then you left me
and something was missing
with you my life was complete

you said you loved me
why did you leave me
you make wanna fall from the sky
you make me wanna cry
you make me wanna die
don't talk to me

I know I don't love you
but my heart tells me to
without you nothing's ever special
without you my life is empty

you said you loved me why did you leave me
you make me wanna fall from the sky
you make me wanna cry
you make me wanna die
don't talk to me
