I feel so high
In a way that I haven't felt for a while
You got me acting crazy
Can't get my head straight on why

Is it the way that you move
How it sounds when you speak
How you make someone strong like me so weak
Is it the time of the year
Is it the clothes that you wear
Can't let go, I just don't know

I'm falling for someone so angel-like (for someone so
angel-like)
Can't decide if this is wrong or right

I'm a mess
Even though I am damn hard to impress
You got me acting crazy
Can't get my head straight on why

Is it the way that you move
How it sounds when you speak
How you make someone strong like me so weak
Is it the time of the year
Is it the clothes that you wear
Can't let go, I just don't know

I'm falling for someone so angel-like (for someone so
angel-like)
Can't decide if this is wrong or right

I feel so high
You got me acting crazy
I feel so high

If only you knew how lucky I feel
To have met someone that has opened up a brand new
world
Where the colors are real and everything I do feels like
acid

Like acid

I feel so high
In a way that I haven't felt for a while

I'm falling for someone so angel-like (for someone so
angel-like)
Can't decide if this is wrong or right

I'm falling for someone so angel-like (for someone so
angel-like)
Can't decide if this is wrong
Or if this is right
Like acid
