Guy:

Baby, I hope that you'r okay
Been spending so much time away

Baby, I promise you one day
I'll be home and you'll say hey
It was definitely worth the wait

Baby, Can you hold onto my words
Those three wonderful words
onto anything, anything
To make this work

As long as you are patient as i'm away
I really need to do this, for my own sake
For my own Sake

Girl:

Baby, no i'm not okay
You'r spending to much time away

Baby, i'm in that home for you
as you chase your dream
I can't wait here forever
For you to come home to me

I'm holding onto your words
Those three wonderful words
If you'll do anything, anything

Please come home, please come home
Please come home

Baby come home, please come home
Baby come home

Both:

Please come home, please come home

Please come home

We said we'll be together
In worse or in better
Through whatever that may come
Through whatever that may come

Darling how i watch you
But time is flying by

Girl:

If you don't put me first
I guess this is goodbye
This is goodbye, This is goodbye
This is goodbye
