I want your love
I'm gonna have you, when I want to
I'm gonna take you, that's what I like
I'm going down now
deeper and deeper
under your skin
you know that it's right

I wanna love you
I want your love

You can't tell me
that you don't want it
You know that I like it, when you put up a fight

I'm gonna have you
when I want to
I'm gonna take you
That's what I like.

I wanna love you
I want your love

I want your love
I'm gonna have you, when I want to
I'm gonna take you, that's what I like
I'm going down now
deeper and deeper
under your skin
you know that it's right.
