Can you feel me coming.  
Open the door, it's only me.  
I have that desperate feeling.  
Trouble is where I'm going to be.  
I know you hear me knocking.  
So open the door and set me free.

If there's a kingdom behind it all.  
Is there a god who loves us all?  
Do we believe in love at all?  
I'm still pretending I'm not a fool.

So in your infinite wisdom  
Show me how this life should be.  
All your love and glory,  
doesn't mean that much to me.

If there's a kingdom behind it all.  
Is there a god who loves us all?  
Do we believe in love at all?  
I'm still pretending I'm not a fool.
