It's killing me  
To be in this room  
I've got to get out  
I've got to get out soon

I hurting you  
With everything I do  
It's too long, too long in this place

We're counting down  
Only seconds now  
I've got to hang on  
Hang on to you

I tearing at  
my cuticals  
Too long too long in this place

We have eachother  
you are my brother  
Sitting here beside of you  
I just wanna use, you. (2x)

I hurting you  
With everything I do  
I've got to get out  
I've got to get out soon

It's killing me  
To be in this room  
I don't belong, belong in this place

We have eachother  
you are my brother  
Sitting here beside of you  
I just wanna use, you. (6x)
