I could loose my heart tonight
If you don't turn and walk away
Coz the way I feel
I might loose control and let you stay
Coz I could take you in my arms and never let go

I could fall in love with you (repeat 2)

I can only wonder how
Touching you would make me feel
But if I take that chance right know
Tomorrow will you want me still
So i should keep this to myself and never let you go

I could fall in love with you (repeat 2)

And I know it's not right and I guess i should try to do
what I should do
But I could fall in love with you baby

I could fall in love with you
So I should keep this to myself and never let go

I could fall in love with you (repeat 2)
I could fall
I could fall in love with you
I could fall in love with you baby (repeat 2 to fade)
