I wanna take a walk
I wanna take a walk
I wanna take a walk along Action Strasse
I wanna take a walk
I wanna take a walk
I wanna take a walk along Action Strasse

Her eyes, telling lies, paradise
She said words to me tenderly

The man inside, he was selling me a bride
Wake up in the morning on Action Strasse
A one-eyed cat who was very fond of that
Cruising up the middle of Action Strasse
Everybody make for the Peppermint Shake
Everybody gonna have a good time

Her eyes, telling lies, paradise
She said words to me tenderly

I still remember 'cause I can't forget
The painted lady, she got me yet
She looked so neat and sound so sweet
When the light shines bright on Midnight Street
And everybody make for the Peppermint Shake
Wanna take a walk along Action Strasse (Strasse)

I wanna take a walk
I wanna take a walk
I wanna take a walk along Action Strasse
I wanna take a walk
I wanna take a walk
I wanna take a walk along Action Strasse
