Oh, the Tomahawk Kid, do you know what he did?  
On a cave on Treasure Island  
Sixteen men on a dead man's chest  
He didn't know where to find them  
When we set sail across the seven seas  
There was Captain Dan and Billy Bones and me  
And the Tomahawk Kid  
The Tomahawk Kid  
The Tomahawk Kid

Full fathom five, the Kid is alive  
The crew is climbin' up the riggin'  
We was washed on land, on the silver sand  
We got no time for diggin'  
When we set sail across the seven seas  
There was Captain Dan and Billy Bones and me  
And the Tomahawk Kid  
Mm, the Tomahawk Kid  
The Tomahawk Kid

Yo-ho-ho, yo-ho-ho, yo-ho-ho, yo-ho-ho

Let's be bold my captain and I'll hold your hairy hand  
Let's forget the treasure and we'll skip across the sand

Oh, the Tomahawk Kid, do you know what he did?  
He hung his head in sorrow  
No treasure chest, but he did his best  
He's gonna come back tomorrow  
When we set sail across the seven seas  
There was Captain Dan and Billy Bones and me  
And the Tomahawk Kid  
The Tomahawk Kid  
The Tomahawk Kid  
The Tomahawk Kid  
The Tomahawk Kid  
The Tomahawk Kid  
The Tomahawk Kid
