Put another dime in
Hear the record playin'
We can dance to the music, pretty music

I'll be ready, babe for you
Anything you want me to
All I wanna do is just love you
And listen to the music, pretty music

Closer, my dear, come close
Each day is like a melody
Oh when you're dancin' close to me

I'll do anything for you
Anything you want me to
All I wanna do is just love you
And listen to the music, pretty music

[BRIDGE]

Closer, my dear, come close
Each day is like a melody
Oh when you're dancin' close to me

I'll do anything for you
Anything you want me to
All I wanna do is just love you
And listen to the music, pretty music
