Is this the end of my life or just the end of the world
The skeletons rule the city as the innocent burn
When you stand up and fight with your blag flag
tonight
They'll put tape on your mouth as they kiss you
goodbye

Death Dance Death Dance
come dance with me. Come dance with me
Death Dance Death Dance
Death dance come dance, come dance with me

You know you can't stay neutral
On a moving train.
So pick a fucking side
And place the blame.
Cause there's nothing worse
Than a bird with wings who doesn't fly.

So wake up and smell the flowers today.
Don't they reek of shit and bloody money
There's not an ounce of love thats left in this world
You're not alive anymore, your a possible sale

Death Dance Death Dance
come dance with me. Come dance with me
Death Dance Death Dance
Death dance come dance, come dance with me

You know you can't stay neutral
On a moving train.
So pick a fucking side
And place the blame.

Cause there's nothing worse
Than a bird with wings who doesn't fly.

There's still war on page six
America don't die like this
There's still war on page six
A-ME-RI-CA!
There's still war on page six

America don't die like this
There's still war on page six
America don't die like this

You know you can't stay neutral
On a moving train.
So pick a fucking side
And place the blame
Cause there's nothing worse
Than a bird with wings who doesn't...

You know you can't stay neutral
On a moving train
So pick a fucking side
And place the blame
Cause there's nothing worse
Than a bird with wings who doesn't fly
