Rest in peace girl.  
Your death is such a shame  
The paper said a bullet got in your way.  
But I smell foulplay. Possible poisoning.  
I had to bring her in for questioning.

I went to your grave.  
Dug up your body.  
Brought it to my house.  
Where you lay...

So lets play doctor, babe.  
We'll opporate today.  
Incisions must be made.  
You could help solve this case.  
For me...

I headed downtown, to share what I had found.  
It's not a suicide, it's a crime.  
I have a witness, it's clearly evident.  
There had to be someone else present.

At the time of death; poisons in stomach.  
How could she pull it if she's dead?

So let's play doctor, babe.  
We'll opporate today.  
Incisions must be made.  
You could help solve this case.  
We need a scalpel now.  
Under white lights you lay.  
We've got to hurry up.  
Before the flesh decays away... away.

I'll catch the murder, and send him away.  
I'll get the evidence, from your last day.

Your last day.  
Your last day.  
Your last day.

So let's play doctor, babe.  
We'll operate today.  
Incisions must be made.  
You could help solve this case.  
We need a scalpel now.  
Under white lights you lay.  
We've got to hurry up.  
Before the flesh decays away... away.
