Calling all cars we've got another victim,
'Cause my love has become an affliction,
What did you expect from me?
What did you expect from me?

I'm sorry but I think I failed to mention
that I lied at my very first confession,
What did you expect from me?
What did you expect from me?

'Cause this has been building since i have been
breathing
An i know how it's going to end,

So will you scatter my ashes where they won't be
found?
I kept my word when i swore that i would let you down,
And now that i'm gone
Try to forget me and just move on
So will you scatter my ashes where they won't be
found?
I kept my word and you hate me for it now
You knew all along
Try and forget me and just move on

Oh my dear, what have i gone and done now?
It's curtain call, i'm about to take my last bow,
What did you expect from me?
What did you expect from me?

Without giving away the entire ending
I ruined the evening again

So will you scatter my ashes where they won't be
found?

I kept my word when i swore that i would let you down,
And now that i'm gone
Try to forget me and just move on
So will you scatter my ashes where they won't be
found?
I kept my word and you hate me for it now

You knew all along
Try and forget me and just move on

i don't have love left inside, inside
And I don't have love left inside, inside
Are you desperate for an answer?
I don't have an ounce of good left in me now
That's why i walked out

So will you scatter my ashes where they won't be
found?
I kept my word when i swore that i would let you down,
And now that i'm gone
Try to forget me and just move on
So will you scatter my ashes where they won't be
found?
I kept my word and you hate me for it now
You knew all along
Try and forget me and just move on

i am not the one that you should blame
So take what i left you for the pain
i am not the one that you should blame
So take what i left you for the pain
And do your best to forget my name
