So I'm done with all this pain that I kept.  
Like a boxer whose been knocked down and lost his  
step.

The doctor said  
(The doctor said)  
I'm sorry son  
(I'm sorry son)

Your can't win,  
you can't win this one

I've been fighting life on my knees  
(over and over)  
I'm standing up above the ropes so I can see

So I'm sorry I'm such a mess,  
and I promise I will do my best  
I perched myself of all this pain,  
like cheap,  
like cheap champagne

I've been fighting life on my knees  
(over and over)  
I'm standing up above the ropes so I can see

I've been fighting life on my knees  
  
(over and over)  
I'm standing up above the ropes so I can see

There's one thing that I know  
Somewhere I lost my hope,  
I've been wasting so much time  
So I am standing up and I am screaming out  
That there is love inside, oh there is love

I've been fighting life on my knees  
(over and over)  
I'm standing up above the ropes so I can see  
I've been fighting life on my knees  
(over and over)

I'm standing up above the ropes so I can see  
(up above the ropes)  
I'm standing up above the ropes

And finally I am free to breathe,  
Now I'm finally able to breathe,  
Now I'm finally able to see.

I'm off the ropes
