Verus 1

(Fuck with my heart)  
I'll teach you what it's like

(To be so used)  
That you'll have to clean

The dirt  
Stuck in  
Your plastic fingernails

And just the scent of you is enough  
(To make me sick)

And all I know is  
Revenge is sweet when

Chorus:  
You know that you are worthless  
And I am better than  
The games that you play princess  
(I've played)  
And always win

Verus 2

(I'll take my time)  
To slowly plot your end

(But now I will)  
Spit bullets with my pen

And all I know is  
You're cute when you scream

Chorus

Bridge:  
I'll take you, onto the top  
Of this building and just push you off  
Run down the stairs so I can see

Your face, as you hit the street

The Street x3

Chorus

You know, that you are worthless  
(And I) Am better than  
The games, that you play princess  
(Well I've played)  
And always win

(This time I win  
So heres your kiss Goodbye)
