My love for you,  
ancient and true.  
You are the flower,  
out of frost you bloom.  
Showing me beauty  
that I never thought true.

Stop wasting time, and start to see.  
This life is just moments and memories.  
They are not like the [?] or [?] in the sea.  
All that I am was meant to be.

You are, you are.  
You are, you are.  
You are the island where I lost home. [?]  
You are the island where I lost home. [?]

Stop wasting time, and start to see.  
This life is just moments and memories.  
They are not like the [?] or [?] in the sea.  
All that I am was meant to be.  
Was meant to be.
