See all those people on the ground  
Waisting time  
Try to hold it all inside  
(just felt like)  
Top of the world  
Sitting here wishing  
The things I've become  
But something is missing  
Maybe I, what do I know

And now it seems that I have found  
(nothing at all)  
Wanna hear your voice outloud  
(slow it down slow it down)

Withought it all  
I'm choking on nothing  
It's clear in my head  
I'm screaming for something  
Knowing nothing is better than knowing it all.  
(on my own) Repeat 3X

Withought it all  
I'm choking on nothing  
It's clear in my head  
I'm screaming for something  
Knowing nothing is better than knowing it all.  
(on my own) Repeat 3X
