This captain goes down with his ship
All hands on deck, stand hip to hip
I shout the orders, shoot to kill
I'm dressed to thrill, I'm dressed to thrill

And to all my enemies
I want their eyes to see
Their captain walk the plank
Destroy them rank by rank

Sail with me into the setting sun
The battle has been won but war has just begun
And as we grow emotion starts to die
We need to find a way just to keep our desire alive

Now set the sails to quarter mast
Well jump their ship we'll sink them fast
Men follow me to victory
Red as the sea, red as the sea

And to the cannons roar
Their bodies dance a shore
A pirates life for me
I wont go quietly

Sail with me into the setting sun
The battle has been won but war has just begun
And as we grow emotion starts to die
We need to find a way just to keep our desire alive

And to my damsel in distress
You've made a mess of your new dress
You've made a mess of your new dress

Sail with me into the setting sun
The battle has been won but war has just begun
And as we grow emotion starts to die
We need to find a way just to keep our desire alive

I'm dressed to thrill
Just to keep our desire alive
I'm dressed to thrill, I'm dressed to thrill
