I spent the last year paying a stranger to listen
To childhood thoughts about the love I am missing
I've fallen for one of the oldest tricks in the book

We made it out of here
(Cause we made it out of here)
Because I wasn't thinking clear

Just save yourself
'Cause it's too late for me
Just save yourself
'Cause I've lost everything

Lying on the couches spilling all of my guts out
Walking out with nothing but a head full of self doubt
I take back every good thing that I ever said

'Cause it was all so meaningless
(Cause it was all so meaningless)
It didn't help clean up my mess

Just save yourself
'Cause it's too late for me
Just save yourself
'Cause I lost everything

Now I see
You rip me open, rip me up
Now I see
You rip me open, rip me up

I spent the last four years of my life
Lost kid, the question searched to find out
It was all a lie

Just save yourself
'Cause it's too late for me
Just save yourself
'Cause I've lost everything

Now I see
Now I see
