Take me to a hotel room
And tie me to the bed on my mistakes
Kiss me like I paid for this
Please don't stop 'till you take all my faith

I know I'm cursed--just don't get it
I'm a genius with a headache
I know I'm cursed--just don't get it
(I'm a genius) with a headache

Am I little sick or a little sane?
Am I little sick or a little sane?
Am I little sick or a little sane?
'Cause I feel a little sick

I'm sorry I forgot your name
But this is the first time I've played this game
I know I made a big mistake
I'm paying you to suck out all my faith

I know I'm cursed--just don't get it
I'm a genius with a headache
I know I'm cursed--just don't get it
(I'm a genius) with a headache

Am I little sick or a little sane?
Am I little sick or a little sane?
Am I little sick or a little sane?
'Cause I feel a little sick

She's grace
Come and get some of this
She's grace
Come and get some of this
She's grace
Come and get some of this
She's grace
Come and get some of this

I know I'm cursed--just don't get it
I'm a genius with a headache
I know I'm cursed--they just don't get it

I'm a genius with a headache

Am I little sick or a little sane?

Am I little sick or a little sane?

Am I little sick or a little sane?

'Cause I feel a little sick

She's grace

She's grace

She's grace

She's grace
