Young maiden with virgin membrane  
Crucified by yours on the altar  
You are penetraiting in gentle body  
Virgin flesh submitting to yourself

Virgin body excites you  
Virginity leads in wild ecstasy  
Bursting her by your flesh  
You are filling her by the first time  
Elastic bosom squeezes with pain  
YouÂ've greedily absorbed in her chest  
In convulsions her body curved  
YouÂ've plunged in bloody depth

Deeper & deeper penetraiting in her  
More & more falling into ecstasy  
Resistance is less & less  
Vulva has become a little wet

Virgin smell excites you  
Unity of tissues drives you mad  
Bursting them in mad ecstasy  
Taste of pain & blood drives you  
You are bursting body into parts  
Deeper & deeper bursting in her  
YouÂ've blinded by rabid passion  
Satisfy libidoÂ's your

In your uncontrollable & stormy passion  
Like a wild satyr youÂ've straddled her  
And bursting soft tissues  
Felt insane blood orgasm

Your seed erupting outwards  
You are filling sinful vessel  
That one, who was virgin recently  
CanÂ't return her virginity

She became uninteresting for you  
Only virginity may excite you  
You know, that somebody another lustful  
Now in her bosom may come in

Her vulva will become Mecca's debauchery  
You can not allow it  
Avoiding her from sin  
Mortal poison give her to drink.
